

## **MyHSR Corporation Sdn. Bhd.**

### *Frequently Asked Questions (FAQ)*

#### **About MyHSR Corporation (MyHSR Corp)**

##### **1. What is MyHSR Corp and what does it do?**

*MyHSR Corp is the Government of Malaysia's project delivery vehicle tasked to drive the development and implementation of the KL-SG HSR Project. Incorporated in September 2015, MyHSR Corp is a wholly-owned organisation by the Minister of Finance Incorporated and also, an agency under the supervision of the Ministry of Economic Affairs (MEA).*

*MyHSR Corp is tasked to ensure that the KL-SG HSR is:*

- Planned, designed, and built to the highest standards of safety specifications and to ensure a comfortable and seamless travel experience between Kuala Lumpur and Singapore.*
- Integrated into the development of the local transport hubs to facilitate accessibility.*
- Fully leveraged to further catalyse socio-economic development along the KL-SG HSR corridor.*

##### **2. What is MyHSR Corp's role during the suspension period?**

*In line with the agreement by the Governments of Malaysia and Singapore to suspend the HSR Project, a more affordable HSR will be identified and proposed to the Government of Malaysia for consideration after performing value engineering and other required studies. MyHSR Corp had been tasked to identify an alternative approach to the KL-SG HSR Project, by reassessing the proposed alignment, station locations, and business model.*

##### **3. Is MyHSR Corp considered a Government entity?**

*MyHSR Corp is a Government-owned entity and is mandated as the project delivery vehicle for the KL-SG HSR Project.*
