

PRESS RELEASE

Date: 24 August 2016

MyHSR Corporation To Appoint Reference Design Consultants

1. MyHSR Corporation Sdn Bhd ('MyHSR') of Malaysia would like to appoint Reference Design Consultants ('RDCs') for the Kuala Lumpur – Singapore High Speed Rail ('HSR') project. The appointed RDCs are expected to provide consultancy services in areas of reference design for rail infrastructure components in Malaysia, interface management, stakeholder management, HSR project requirements and tender document preparation.
2. The appointed RDCs are responsible for the preliminary design of infrastructure asset (stations, alignment, depot, and maintenance bases) within Malaysia. There will be five (5) RDC work packages, and local and international firms are encouraged to participate.
3. Interested firms may visit MyHSR's website at <http://www.myhsr.com.my/tender.php> for more information from 25th August 2016 (Thursday).

-Ends-

About the Kuala Lumpur – Singapore High Speed Rail project

The Kuala Lumpur-Singapore High Speed Rail project was first announced by Malaysian Prime Minister Dato' Sri Mohd Najib Tun Abdul Razak and Singapore Prime Minister Lee Hsien Loong at the Malaysia-Singapore Leaders' Retreat in February 2013. The HSR project is seen as a strategic development in bilateral relations that will dramatically improve the connectivity between Malaysia and Singapore. With terminus stations in Kuala Lumpur's Bandar Malaysia and Singapore's Jurong East, the HSR aims to cut the travel time between the two cities to 90 minutes.

About MyHSR Corporation

MyHSR Corporation is a company incorporated in 2015, wholly owned by the Minister of Finance Incorporated. As the project delivery vehicle for the KL-SG HSR project, MyHSR is responsible for the development and implementation of the project.
