**Date: 2 November 2017**

### **Public Inspection for Kuala Lumpur – Singapore High Speed Rail (HSR) Project Commences**

Public Inspection for the Kuala Lumpur – Singapore HSR project which began on 1 November has garnered more than 400 positive responses on its first day.

The 3-month long Public Inspection from 1 November 2017 to 31 January 2018 has opened with 14 permanent booths at Suruhanjaya Pengangkutan Awam Darat's (SPAD) Offices and local councils in Kuala Lumpur, Selangor, Negeri Sembilan, Melaka and Johor.

Additionally, a total of 29 roadshow booths will be placed at shopping malls and public places from 15 November 2017 to 31 January 2018.

Throughout the three-month period, visitors will be able to view materials containing information about the Kuala Lumpur – Singapore HSR project including satellite images of the planned alignment and locations of the seven stations within Malaysia. Other information such as typical station features and layout, land acquisition plans, railway technical data and Socio-economic Development Programme (SDP) for the HSR hubs are also available at the booths for visitors' viewing and reference.

"The Public Inspection is an important platform for us to engage the public. This 3-month period is crucial in ensuring comprehensive dissemination of project information and effective collection of feedback from the public," said Dato' Mohd Nur Ismal Mohammed Kamal, CEO of MyHSR Corp.

The public can visit MyHSR Corp's website at [www.myhsr.com.my](http://www.myhsr.com.my), or contact MyHSR Corp via its hotline at 1800-18-6477 (available from Monday to Friday, except on Public Holidays, 9:00am – 5:00pm) or email at [feedback@myhsr.com.my](mailto:feedback@myhsr.com.my) for further information.

### **About the Kuala Lumpur – Singapore High Speed Rail**

The Kuala Lumpur – Singapore HSR is a strategic project between the Governments of Malaysia and Singapore that aims to facilitate a 90-minute travel time between Kuala Lumpur and Singapore. The project is expected to enhance business linkages and bring the people of both countries closer together. The Governments of both countries signed a Bilateral Agreement on 13 December 2016, which captured the key points of agreement on the project, including the technical parameters, commercial model, customs, immigration and quarantine clearance, safety and security matters, regulatory framework and project management approach.

As part of the next phase in project preparation, the Governments of Malaysia and Singapore have tasked MyHSR Corp and the Land Transport Authority (LTA) of Singapore respectively to implement the project.

### **About MyHSR Corporation**

MyHSR Corp is a company incorporated in 2015, wholly owned by the Minister of Finance Incorporated. As the Government of Malaysia's project delivery vehicle for the Kuala Lumpur – Singapore HSR project, MyHSR Corp is responsible for the development and implementation of the project.
