Consent to be included in the Participant List

For the purpose of facilitating contact between Registered Participants, we would like to seek your consent to include the name of your organisation in a list of those Registered Participants that attend the Industry Briefing event (the Participant List). The Participant List will be shared with all Registered Participants subject to the terms and conditions of the Notification (as defined in note 1 below), including in respect of confidentiality. The Participant List will not identify the names or contact details of any individuals from a Registered Participant nor the names or composition of any consortia that have already formed or will be formed.

Please select one of the following:

Yes, I consent to include my organisation's name (as registered) in the Participant List

No, I do not consent to include my organisation's name in the Participant List

If you do not consent to include your organisation's name in the Participant List or if you do not attend the Industry Briefing event, then your organisation's name will be removed from the Participant List prior to its circulation to the other Registered Participants [and the Participant List will not be circulated to you].

Notes

1. The terms and conditions (including, without limitation, the confidentiality undertaking and disclaimer) of the notification of the Briefing, as published on the MyHSR Corp and LTA website (Notification) apply to this Briefing Registration Form. Unless otherwise defined, capitalised terms used in this Briefing Registration Form shall have the meaning given to them in the Notification.
2. Only those entities that have registered their attendance in accordance with the Notification (Registered Participant) shall be permitted to attend the Briefing.
3. AssetsCo will be responsible for designing, building, financing and maintaining all rolling stock, as well as designing, building, financing, operating and maintaining all rail assets (e.g. track-work, power, signaling and telecommunications). It will also coordinate the system's network capacity for operations and maintenance needs.

Please note that this Industry Briefing event is NOT meant to initiate discussions on the civil works and civil works procurement of the HSR Project.

4. Bidders for the international tender for AssetsCo must be able to demonstrate in due course that the consortium:
 - a) has the relevant capabilities and experience to successfully deliver the HSR project in accordance with MyHSR Corp and LTA's desired outcomes; and
 - b) has the financial capacity to undertake a project of this nature.
5. Potential registrants are advised that to register to participate in the Briefing, they should be suitably experienced and qualified for the delivery (or part thereof) of the AssetsCo scope. Such suitably experienced and qualified organisations may include:
 - a) systems integrators that have brought into revenue service integrated new rail systems;
 - b) traffic control and communications systems providers that have successfully designed, manufactured, installed, tested and commissioned systems for high-speed railway(s);
 - c) signaling providers that have successfully designed, manufactured, installed, tested and commissioned signaling systems that provide Automatic Train Protection for high-speed railway(s);
 - d) rolling stock providers who, as a single entity or joint venture partner, have designed and delivered trainsets into commercial services for high-speed railway(s), and/ or asset managers of rolling stock;
 - e) high-speed network operators and/ or asset managers of networks;
 - f) lenders/ financiers of any of the above;
 - g) investors; and/ or
 - h) other organisations able to meet certain aspects of the AssetsCo scope as described above.
6. Interested parties are encouraged to register early for the Briefing as there are a limited number of seats available at the venue. In the case of over-subscription for the Briefing, MyHSR Corp and LTA reserve the right to allocate seats to those Registered Participants who are suitably qualified or experienced as described above.

7. Completed Briefing Registration Form shall be submitted as follows:
 - a) return a copy of this completed Briefing Registration Form by email to MyHSR Corp and LTA's nominated contact at query@klsq-hsr.com
8. MyHSR Corp and LTA may, in their absolute discretion (and without having any obligation to do so):
 - a) extend the closing date for submission of this Briefing Registration Form; and/ or
 - b) permit submission of this Briefing Registration Form after the closing date (including as that date may be extended).
9. Registration for the Briefing does not imply any acceptance by MyHSR Corp and LTA that the Registered Participant has the expertise and/ or experience required to participate in the procurement process for the HSR project or to deliver the AssetsCo scope or any other part of the HSR Project.
