### **Seven Consortia Comprising 31 Firms Submit KL-SG HSR Proposals to MyHSR Corp**

**Kuala Lumpur, 15 January 2024:** Seven local and international consortia, comprising 31 firms that represent the full spectrum of the Kuala Lumpur-Singapore High Speed Rail (KL-SG HSR) project, submitted concept proposals to MyHSR Corporation Sdn Bhd (MyHSR Corp) on Monday, when the deadline for submission ended on 15 January 2024.

The submission of concept proposals for the KL-SG HSR project is in response to the Request for Information (RFI) exercise that MyHSR Corp launched in July 2023 to invite local and international players from the private sector to deliver the project based on a public-private partnership initiative on the Design-Finance-Build-Operate-Transfer (DFBOT) model.

“The findings from the RFI evaluation will be presented to the Ministry of Transport and the Cabinet for deliberation,” said MyHSR Corp Chairman, Dato’ Sri Haji Fauzi Bin Abdul Rahman.

“If the response is positive, we will move on to the second phase with the Request for Proposal (RFP) stage to obtain detailed proposals from the selected consortia, he added.
